# Legend Clipper

A powerful clipper for heavy duty applications

Lightweight, powerful and durable, the Lister Legend clipper delivers professional performance every time. The most recent addition to the Lister range of horse clippers, the Legend offers state-of-the-art motor technology and a dual position grip, so you can clip longer, faster and more comfortably.

- Powerful 150 Watt motor
- Snap on washable filter
- Intelligent tensioning mechanism for optimal cutting pressure
- Overload switch to protect from damage
- Ventilated head to prevent excess heat and discomfort
- Rubber noise reduction technology
- Ventilated head to help keep hair away from face
