

Liberty Lithium

Versatile, medium duty clipper

Portable and safe, Liberty Lithium clipper can be used in any location – in the stables, in the field or at a show.

The powerful Lithium battery provides up to 2.5 hours of clipping, offering consistent performance on the go.

- Three power supply options; mains, powerpack or vehicle leads
- Fast charging and up to 2.5 hours of continuous clipping time
- Overload switch to protect the motor from damage in the event of a jam
- Helpful LED display to indicate the level of charge
- Intelligent design ensures quiet, cool running
- Ergonomically designed and expertly balanced for exceptional comfort and effortless results
- Designed and manufactured in the UK
