Liberty Lithium

Versatile, medium duty clipper

Expertly designed, Liberty Lithium provides up to 2.5 hours of uninterrupted clipping time with the Lithium battery while the smooth motor ensures a quiet clip. Offering the ultimate in portability, the clipper can be used in any location; in the stables, in the field or at a show — the ideal solution whether clipping horses or the backs of cattle!

- Available in a variety of packs with varying power supply options for maximum versatility
- Fast charging and up to 2.5 hours of continuous clipping time
- Overload switch to protect the motor from damage in the event of a jam
- Helpful LED display on Lithium battery to indicate the level of charge
- Intelligent design ensures quiet, cool running
- Exceptionally lightweight and ergonomically designed and expertly balanced for exceptional comfort and effortless results
