# Star Clipper

A lightweight, medium duty clipper

One of Lister's most popular products, the Star has been a beloved fixture in stables and livery yards for decades.

This powerful, fast and efficient clipper is ideal for professionals and enthusiasts alike, and has a slim, balanced grip for maximum comfort. Lightweight so you can clip for longer, the Star also features an intelligent tensioning system, ensuring the right cutting pressure is applied every time.

- Overload switch to protect from damage in the event of a jam
- Intelligent tensioning system to ensure correct cutting pressure
- Ventilated head to prevent excess heat and discomfort, whilst keeping hair away from the face of the user
- Self cleaning function to remove some clippings during use
- Removable and replaceable air filter for easy cleaning

Star (with A2F/AC fitted): 258 - 33791
