

## Trainee Assembly Operative

---

<b>Job Title</b>	Trainee Assembly Operative
<b>Job Type</b>	Full Time, Permanent
<b>Salary</b>	Competitive
<b>Location</b>	Factory Based
<b>Reports to</b>	Assembly Manager

Lister is looking for a dynamic hands-on Trainee Assembly Operative to join one of the most recognised, trusted, and world-renowned manufacturers in large animal clipping and shearing products.

We have set the standard for reliability and quality through engineering innovation by working with leading grooms, shearers, and farmers around the world, listening to market feedback and studying the way in which our products are used.

This role would suit someone looking to start their career in electrical and mechanical assembly.

The successful candidate will be part of the Assembly Team reporting directly into the Assembly Manager. This role offers an exciting opportunity for anyone wishing to start their career in manufacturing.

You will learn a variety of electrical and mechanical processes and build techniques.

In return, you will get the opportunity to join a friendly team in a family feel company where you will be well looked after and valued. In addition to full training, we will also provide the relevant tools and support to help maximize your potential and your individual career development.

The ideal candidate will have:

- An interest in engineering
- Positive attitude
- Good communication skills
- Willingness to learn and take instruction
- Team player
- Dependable & Reliable
